Dear Sponsor.

Greater Grace Outreach Church Inc. and The Morefield Boy's & Girls Club of Greater Houston is proud to announce that we are organizing a "All About Health Fair Family Day" on the 15th of July 2006. Our Health Day will involve hundreds of families that are underprivileged and underserved as well as the surrounding South side region of the Houston area. This Health Fair is free to the entire community and will include an exciting, full-day health experience that mirrors the basic principals of living and enjoying life best, the healthy way.

We are in the preliminary stages of planning for this day and in order to make this community event a success, we need YOUR help. We are requesting for either a representative from your organization be in attendance during this health fair or that your organization provides literature, samples of products and /or brochure information. The event will start promptly from 9:30 A.M. to 2:00 P.M.

In return for your sponsorship, your organization will get great visibility with all our young participants, the parents and the VIPs attending the event. In addition, there will be even more visibility as we've invited the local media to report on the event.

We are considering a number of potential opportunities that might be of interest to you:

- Logos on pre-event signage
- Logos on the podium
- Posting your banners up during the day
- Special mention in thank you letters
- Special mention during opening ceremonies

Your sponsorship will go a long way to making our "All About Health Fair Family Day" a memorable event for everyone involved. The registration deadline is scheduled for June 2, 2006. For additional information and / or to registration for this event please call (713) 498-8695 or (713) 733-7100 or email Ggoc4u@aol.com

Kindest regards,

Tawanda Usher
