

Greetings from the SEO College Scholars Program and Happy Summer!

We are planning our annual **Summer Career Institute** and seeking volunteers to participate in a fun Speed Networking session with college students on **Saturday July 27th from 2:30–4:30 PM** at NYU. Our students are eager to gain perspectives and advice from experienced professionals, and put what they learn into practice as they explore careers in a wide variety of industries. Please consider joining us and encouraging any friends working in the fields listed below to volunteer as well!

The SEO Scholars program prepares low-income NYC public high school students to get to and through competitive colleges. Currently we support 300+ College Scholars attending 118 colleges across 22 states. We boost academic achievement and career readiness through one-on-one advising and large-scale programming throughout the year. Volunteer support plays a key role in our success: SEO students graduate from college at a rate of 80% in 4 years, and 95% in 6 years, compared to the national average (across all races and income levels) of 54% in 6 years.

I hope you can participate on July 27th! In addition to speaking with our College Scholars, we will host an optional mini-networking reception at 1:30pm just for the volunteers to network prior to meeting with the students.

Please see below for details and do not hesitate to contact me with any questions!

Best,
Ays

SEO is seeking volunteers from a wide range of industries to share their knowledge and advice during a fun session of...

Speed Networking

with the SEO College Scholars

Saturday, July 27 from 2:30–4:30 PM

NYU Law School, D'Agostino Hall, 108 West 3rd Street, New York, NY

As part of a full day of career workshops, small groups of students will learn about career paths and practice networking as they rotate through conversations with a variety of professionals who are eager to help them succeed!

The current SEO College Scholars are interested many different fields, so **please share this with friends/colleagues** who enjoy working with young people and might wish to participate! We're looking for professionals in:

Accounting	Investment Banking
Advertising/ Marketing	Journalism
Business	Law (Corporate and Public)
Communications	Management/ Business Consulting
Education (K-12)	Medicine (Doctor/Physician Assistant/ Nurse)
Engineering	Nonprofit
Entrepreneurship	Psychology
Finance	Public Health
Government (Local or Federal)	Public Relations/ Event Planning
Graduate Student (Medical, Law, Business)	Social Work (LMSW/LCSW)
Human Resources	Technology
International Affairs	Visual/ Graphic Design

>> To volunteer, please email Ays Necioglu at anecioglu@seo-usa.org. We will need a short bio and a headshot from you by Wednesday July 10th. If you have any questions, please email Ays or call 646-435-9554. Thank you!
